

SMART COMPRESSOR MINIBAR (DRAWER) REF: DM-PRO50NH-BK

CONCEPTION FRANÇAIS

Other Features

- Gross capacity 50L
- Smart Compressor system
- Programmable hours of operation
- Eutectic cold plate, cold preservation
- Refrigerant R600a, cyclopentane
- Ultra energy efficient
- Automatic defrosting
- Interior LED lighting
- Magnetic door insulation

Specification

- Gross capacity 50L
- Dimensions: H420/W550/D480mm
- Power 220V~240V, 36W
- Power consumption: 0.135 kWh/24hrs
- Weight: 27.3kg
- Temperature range: 2-4°C*

FINISHING

- Black

*Cooling performance tested under 25 °C cabinet ambient temperature

VENTILATION CABINET DRAWING
